Invaluable theodore bruce

Helmuth von Moltke The Elder? Carl von Clausewitz? Dwight D. Eisenhower? Apocryphal? Dear Quote Investigator: Anyone attempting to make an important project must be flexible. Planning is important, but the adaptability is essential. Here are two versions of a relevant adjustment from the domain of war and competition: no plan survives in contact with the enemy. No plan survives first the first contact with the enemy. This said was attributed to Marshal Fight Marshal Helmuth von Moltke The Elder and Prussian General Carl Von Clausewitz. Would you like to explore this topic? Estimate investigator: In 1871 Helmuth von Moltke wrote an essay on the military strategy that included a long statement that was essentially equivalent to the concise adaptive. Here is an extract in German followed by an English translation. Boldface added by Qi: 1 Kein Operationsplan Reicht Mit Einiger Sicherheit A¼¼ber Das Este Zusammentreffen mit der Feindlichen Hauptmacht Hinaus. NUR DER LAIE GLAUBT IN DEM VERLAUF EINES FELDZUGES Die Konsequente Durchf¼¼hrung Eines im Voraus Gefa¼¼zen in Allen Einzelheiten ist A¼¼berlegten und Ans Ende Festgehaltenem, Urspr¼¼nglichen Gedankens zu erfiercken. No plans of operations extends with any certainty beyond the first meeting with the main enemy forces. Only the layan believes that during a campaign he sees the consistent implementation of an original thought that was considered in advance in every detail and preserved at the end. Over time, Moltke's declaration was condensed to produce adequate adequate. Here are additional quotes selected in chronological order. Continue reading No plan survives first contacts with the enemy Dwight D. Eisenhower? Winston Churchill? Richard M. Nixon? Anonymous Dear Quote Investigator: The leader of World War II and President U.S. Dwight D. Eisenhower apparently made a paradoxical declaration on preparation. Here are two versions: 1) The plans are useless, but planning is indispensable. 2) The plans are useless, but planning is essential. Would you please explore the origin of this saying? Investigator share: in 1950 Dwight Eisenhower wrote a letter to a diplomat u.s. in which he attributed a military oriented version of the aforementioned anonymous soldier. Emphasis added to extracts from Qi: 1. . . I always remember the observation of a very successful soldier who said, A e a,~ "the plans in real time are no particular value, but peace planning is essential." During a speech in November 1957, Eisenhower took the saying again. He told an anecdote on the maps used during the US military training. The maps of the Alsace-Lorena area of Europe were used during the instructions before the First World War, but educational reformers decided that the position was not relevant to the American forces. So the maps have passed to a new position within the.s. For planning exercises. Some years later the military were deployed and fighting in Alsace-Lorena: 2 I say to this story to illustrate the truth of the statement I heard a long time ago in the army: the plans are useless, but planning is everything. There is a great distinction because when you are going to an emergency you have to start with this thing: the same definition of A e a,~ a "emanance" is that it is unexpected, so you won't happen the way you are Planning. The details of a plan that have been designed in advance are often incorrect, but the planning process requires in-depth exploration of options and contingencies. The knowledge acquired during this survey are fundamental to the selection of the appropriate actions as they take place Future events. of Additional quotes selected in chronological order. Continue reading plans are useless, but planning is everything you were talking about: Walter F. Kerr? Michael Foot? Erskine Johnson? Charlton Heston? David Brin? Who was criticized: Jay Robinson? Dwight Eisenhower? Charlton Heston? Dear Quote Investigator: the complaint that someone is exhibiting A e a,~ A "deli It has become a cliché. However, an intelligent phrase change was memorably used by a theatrical critic that was not satisfied with an ostentated performance: the actor suffered with adequacy disappointments. Do you want to reveal the name of the critic and performer? Investigator share: In 1951 the critic of the drama conquering Pulitzer Walter F. Kerr Scripture in A e a,~ A "New York Herald Tribune" Reviewed a game on Broadway called A e a,~ A "Buy Me Blue Ribbons". Kerr noted that the main production actor had recently been fired from another key position, and the reaction of Thespian was eccentric: 1 producer Jay Robinson and practically star of A e a,~ A "Buy Me Blue Ribbons , A e a,~ "is a young man of twenty-one who was the last expropriated season of a leading role in a game that has had financed. Mr. Robinson apparently is not bitter about it. He had Sumner Locke Elliott Write a game for him a young comedy who is thrown in a similar way to his own production, and offers it, for his mortification and for ours, at the Empire theater. The critical judgment of Kerr's was hard, and employed the sentence under investigation in Lambaste Robinson. Boldface has been added to the extracts: Mr. Robinson is not up to the course that has established for himself. In the game, the character concludes giving up his dreams of Stardom Overnight and deciding to learn how Or trade from below upwards. All Mr. Robinson can honestly be done now is to take the advice of him. At the moment, he suffers from adequacy disappointments. The passage over contained the first instance located from Qi: So, Kerr was probably responsible for him. Here are more quotations selected in chronological order. Do you continue to read suffering from adequacy of adequacy Dwight D. Eisenhower? John Le Carré @? Apocryphal? Dear Sequent Investigator: There is a popular time management program called the Eisenhower's decision principle or the Matrix Eisenhower that takes its name from the President of the United States Dwight D. Eisenhower. Each activity is evaluated based on two axes: important / not important and urgent / non-urgent. There are different rules for every kind of task. For example, if a task is urgent but not important, it should be delegated to someone else. The inspiration for the method derives from a saying attributed to the famous military and civil leader. Here are two versions: (1) What is important is rarely urgent and what is urgent is rarely important. (2) Most of the things that are urgent are not important, and most of the things that are important are not urgent. I was unable to determine when this was told by Eisenhower. Would you like to examine this adage? Quote Investigator: In 1954 Dwight D. Eisenhower visited the campus of the Northwest University of Evanston, Illinois and handed up a speech at the Second Shareholders' Meeting of the World Church Council. He spoke a version of the Adagio, but did not claim credit for this. Instead, he attributed words to a university president A e a,~ A "Former". In the following Eisenhower extract he used the sentence A e a,~ A "President Miller A e a,~ as it refers to Dr. J. Roscoe Miller who was the president of the Northwest University. Note that Eisenhower was not attributing to Miller who was a current president and not a former president. Boldface was added: 1 hour, friends of this convocation, There is something else we can hope to learn from your being with us. I have explained the declaration of a former college president, and I can understand the reason for his talk as he did. I am sure that President Miller It can. This president said: A e a,~ "I have two kinds of problems, urgent and the important thing. The urgent is not important, and the important thing is never urgent. A »Now this, I think, A dilemma of modern man. Your being here can help put the important thing before us, and perhaps even give the important touch of urgency. And you can strengthen our faith that men of good will, work together, can solve problems problems they. The aforementioned quotation is the first significant evidence known to Qi. This instance of the expression did not use a qualifier like A e a,~ A "Seldom A e a,~ or" most ". But the next quote suggests that at least one listener added the word A e a,~ A "Seldom A e a,~ to its memory of the observation. Here are more quotations selected in chronological order. Continue reading what is important is rarely urgent and what is urgent is unlikely important Elvis Presley? Dwight D. Eisenhower? The white rabbit? Clint Eastwood? Martin Gabel? Adlai Stevenson? Anonymous? Dear Share Investigator: Some humorous quotes are created by cleverly transforming prosaic expressions. Most people have familiar with the exhortation: don't stay there, do something. However, it is occasionally preferable the preferable insight and the following reorganized sentence has been used: not just something, stay there. I saw these words attributed to Dwight D. Eisenhower, Clint Eastwood and the White Rabbit of Lewis Carroll. Any ideas that should be credited? Estimate investigator: the first tests located by Qi were printed in the popular column union of Gossip of Leonard Lyons in 1945. The phrase was used by an actor and by the manufacturer named Martin Gabel: 1 to the first test of the Irwin game Shaw's, A e a,~ A "The killer á € The producer Martin Gabel noticed a young actress gesturing wildly gesturing instead of staying real estate. Gabel shouted: A e a,~ A "donA e a,~ á" e t just do something; Stand lá. This quip has been used by many people over the years, including the politician Adlai Stevenson and the Hollywood Clint Eastwood star. Here are more quotations selected in chronological order. Continue reading DonA e a,~ A "e t just do something; Are you there Dwight D. Eisenhower? Gerald Ford? Anonymous? Dear share Investigator: President Dwight D. Eisenhower is commonly accredited with a comic statement that is almost a tautology. Here are some different versions of the alleged observation of him: things are more as if they were at this time than they have never been. Things are more as if they were time to never be before. Things have never been similar as they are today in history. history.
